Odometer Check

Problem Reported

One or more odometer problems have been reported to AutoCheck by the state Division of Motor Vehicles (DMV) or auction sources OR there is a potential odometer discrepancy when AutoCheck examined the sequence of reported odometer readings.

State Title Odometer Check

No issues reported

Auction Odometer Check

No issues reported

Odometer Calculation Check

Based on proprietary calculation of reported odometer readings, there is potential indication of odometer rollback or tampering.

† This odometer reading is inconsistent with the odometer history. This could be due to a typographical, clerical, or rounding error and does not necessarily represent an odometer rollback by itself. If we receive additional odometer history that corroborates an odometer rollback, this display may change and that may impact other aspects of this report and the vehicle's qualifications.
